About Our Enrichment Summer Camp Afternoon Activities

Every afternoon we spend one hour at Wilburton Hill Park, then learn about one of these exciting topics:

Animal Knowledge (weeks of 6/24, 7/15, & 8/5)

We will journey into the animal kingdom during this activity. Students will learn about the incredible creatures of this planet, and spend some time researching animals of their choice.

Drama and Theatre (weeks of 7/8, 7/29, & 8/19)

Drama and Theatre are not only fun for kids, but also teach students valuable life skills. Students will gain self-confidence, public speaking skills, improvisation skills, and many more.

World Knowledge (weeks of 7/1, 7/22, & 8/12)

The world is becoming a smaller place and our advanced technology is bringing people together like never before. At Best in Class, we value the importance of learning about other regions of the world, their histories, their customs, and their cultures. Students will journey through time and foreign lands to learn fun and important facts about other parts of our world.
