

# Gifted Test Prep

## Is your child ready for a bigger challenge?

Consider having your children tested for your school district's gifted programs (**Prism, Quest, Highly Capable, Highly Capable Cohort, MERLIN**, etc).

Our Gifted Test Prep program is designed to familiarize students with the testing formats of these difficult tests to give students the best possible chance at success. The test format and questions themselves are often the hardest part of the testing process. We give our students instruction on how to navigate the test format and provide test-taking strategies.

**All spaces are on a first come, first served basis.** Spaces can only be reserved after full payment has been received and student registration form is complete. Payment for this program is completed online by credit card through the link below. Due to high demand, we cannot reserve seats without full payment. Please see our registration form for rules and policies.

**Registration will open at 1:00pm on Thursday, September 12<sup>th</sup>, 2019**

Spaces are first come, first served ONLY.  
Go to the link below to register online:
